# Willkommen / Welcome

*L*iebe Züchterfreunde,

wir freuen uns sehr, Ihnen den Katalog zur nun bereits 11. Auflage des German Masters Sale präsentieren zu können.

Nach der besonderen und sehr erfolgreichen Auktion von German Masters Sale und Nobsisch Holsteins Herdenverkauf im vergangenen Jahr findet der German Masters Sale in diesem Jahr wieder in gewohntem Umfang und Rahmen im Vermarktungszentrum der RUWeg in Fließem statt.

Unser Dank geht an die Beschicker aus aller Welt, die uns ihre allerbesten Tiere gemeldet haben und somit einen Katalog mit dieser einzigartigen Qualität erst möglich machen.

Danke sagen wir auch an unsere vielen treuen Sponsoren, die uns auch dieses Jahr unterstützen!

Durch die vielen tollen Anmeldungen ist es uns gelungen, Ihnen den wohl besten German Masters Sale Katalog aller Zeiten zu präsentieren! Mit einem breit gefächerten Angebot von 136 Katalognummern aus den momentan besten und angesagtesten Kuhfamilien der Welt.

Im Katalog finden sie einige der höchsten genomischen Rinder die jemals angeboten wurden! Verkauft wird u.a. das höchste GTPI Tier welches jemals auf einer Auktion in Europa verkauft wurde!

Dazu eine ganz fantastische Kollektion von 20 abgekalbten Kühen & Färsen, davon eine abgekalbte Jersey, sowie erstmal eine abgekalbte Brown Swiss Färs!

Im Bereich der Exterieurrinder ist der GMS sicherlich einzigartig, wo sonst können sie 11 Katalognummern mit einer direkten Mutter finden, die zwischen EX-95 bis EX-97 eingestuft ist?! Insgesamt haben sagenhafte 44 Katalognummern eine Exzellente eingestufte Mutter und das alles in rot oder schwarz! Außerdem eine tolle Auswahl an Rindern der Rasse Jersey, Brown Swiss & Normannen sowie Embryonensätze!

Und das in allen Preiskategorien, für jeden ist etwas dabei!!

Wir freuen uns sehr darauf, Sie am 18. Oktober 2024 zum 11. German Masters Sale in der Auktionshalle der RUWeg in Fließem, nahe Bitburg, ab 15.00 Uhr zum "Open Barn" & ab 18.00 Uhr zur Live Auktion begrüßen zu dürfen!

Seien Sie unser Gast und überzeugen Sie sich vor Ort von der fantastischen Tierqualität & verbringen Sie mit uns zusammen einen tollen Abend unter Freunden und erleben Sie die einzigartige German Masters Sale Atmosphäre!

*M*it besten Grüßen,

*D*ear breeders,

We are very excited to present you the catalogue of the 11th German Masters Sale.

After the special and very successful auction of last year in conjunction with the Nobsisch Holsteins Dispersal we are back to normal again. The German Masters Sale 2024 will take place at the RUWeg Auction hall in Fließem, Germany.

We are extremely happy and overwhelmed for the consignments we received for this edition from breeders from all over the World. We want to thank the consignors which entered their very best and made it possible to make this great selection we have for the German Masters Sale 2024. Also we want to thank our sponsors which help us make this event possible.

Because of the many signups we received for this year's Sale we had the great position to make a catalogue with 136 lots out of the best cow families which the World can offer.

We believe this is the best offer we ever had at the German Masters Sale! In the catalogue you will find some of the highest genomic animals ever to sell. The #1 GTPI Heifer ever to be sold in Europe will go under the auction hammer as well many more high Heifers which are in the top of the Charts in many different systems!

As well a fantastic group with more than 20 fresh milking heifers and cows, including including a super Jersey and for the very first time a milking Brown Swiss!

The group of type heifers at the GMS is probably world-wide unique! Where else can you find 11 lots from dams scored between EX-95 to EX-97, and in total there is 44 lots in the catalogue with a direct Excellent dam! Also we have a beautiful group of Jersey calves selling along with Brown Swiss & Norman heifers topped up with some special Embryo packages!

There is something for everybody and in all different price ranges!!

We look forward to seeing you all on Friday, October the 18th at the 11th German Masters Sale, in the auction hall of the RUWeg in Fließem, near by Bitburg, Germany. Sale barn opens at 15.00pm & auction will start at 18.00pm. Be our guest have a look at the fantastic quality of animals and enjoy a great evening with friends and the unique & special German Masters Sale atmosphere!

*B*est regards,

The German Masters Sale Team
