# WELCOME / WELKOM

& Partners Holstein Sale

*B*este fokkerijliefhebbers,

Wij, Rob Schouten en Pieterjan Bakker zijn trots om de catalogus van de eerste Schouten & Partners Holstein Sale met jullie te kunnen delen.

Tijdens een gesprek zeven jaar geleden kwam onze passie ter sprake, het fokken en showen van Holsteins. We zijn beide werkzaam in de sector, Rob als cowfitter en Pieterjan als nutrionist herkauwers. Onze gezamenlijke passie en kennis heeft tot een succesvolle samenwerking geleid.

Op de cover van deze catalogus staat HC Archrival ARIANNE. Arianne is de koe waarmee ruim vijf jaar geleden ons fokkerijavontuur van start ging. Arianne ontwikkelde zich bij ons tot de #1 PTAT koe van Europa en is nog steeds een zeer interessante fokkoe. Door het succes met Arianne en de goede contacten met verschillende fokkers hebben we onze veestapels verder kunnen uitbreiden, daardoor kunnen we jullie dieren aanbieden uit verschillende internationale koefamilies waaronder de Apple's, en de Roxy's. Naast onze eigen dieren, veilen we ook dieren en embryopakketten van andere fokkers.

We willen graag iedereen bedanken die heeft geholpen bij de totstandkoming van de Schouten & Partners Holstein Sale. Zonder jullie hulp was het onmogelijk deze veiling te organiseren.

We kijken met spanning uit naar 17 – 19 maart! We wensen jullie veel plezier bij het doornemen van de catalogus. Als er vragen zijn aarzel dan niet contact op te nemen. Jouw fokkerijavontuur begint hier!

Met vriendelijke groet,  
Rob Schouten en Pieterjan Bakker

*D*ear Breeders,

We, Rob Schouten and Pieterjan Bakker are proud to be able to share the catalogue of the first Schouten & Partners Holstein Sale with you.

During a conversation seven years ago, our passion for breeding and showing Holsteins came up. We are both working in the sector, Rob as a cow-fitter and Pieterjan as a ruminant nutritionist. Our shared passion and knowledge has led to a successful collaboration.

The cover of this catalog features HC Archrival ARIANNE. Arianne is the cow that started our breeding adventure more than five years ago. Arianne developed into the #1 PTAT cow in Europe for us and is still a very interesting brood cow. Due to the success with Arianne and the good contacts with various breeders, we were able to expand our herds further, therefore we can offer you animals from various international cow families, including the Apple's and the Roxy's. In addition to our own animals, we also offer animals and embryo packages from other breeders.

We would like to thank everyone who helped to realize the Schouten & Partners Holstein Sale. It would not have been possible to organize this auction without your help.

We are eagerly looking forward to March 17 – 19! We hope you enjoy reading the catalogue. If there are any questions please don't hesitate to get in touch. Your breeding adventure starts here!

With kind regards,  
Rob Schouten & Pieterjan Bakker
