Conditions of Sale

Sale organisation: Eurogenes

Management: Arjan v. d. Vlis, Emma Scholten, Jan de Vries

Terms and conditions:

1. Eurogenes is selling the animals which are listed in the sale catalogue on its own behalf or on commission.
2. Each auction participant accepts these terms and conditions.
3. All animals are from officially acknowledged IBR, tuberculosis-, leucosis- and brucellosis-free herds.
4. All animals have been tested negative for BVD/MD
5. Value-reducing defects of an animal are announced by the auctioneer or will be mentioned in the sale update.
6. Incomplete catalogue information is announced. In the case of female breeding calves, the seller is liable to a term of 2 years after the sale, that the female calves do not come from an opposite-sex twin pregnancy (by blood test detectable) and are no hermaphrodites.
7. The seller guarantees for a period of six weeks that all catalogue information is correct. The assurance of parental descent by blood group determination in ET-offspring occurred.
8. Buyer of first choice heifer calves directly have to pay 25% of the purchase price plus the total fee. At least three months after the last cow-calf is born, the selection took place. Prior to the acquisition the remaining 75% of the purchase price have to be paid. If there is no cow-calf born, the buyer obtains only the deposit of 25% of the purchase price refunded.
9. In the case of double bids and disputes the auction management will make a decision.
10. Price to be paid by the buyer: Auction price + 10,0% auction fee + tax + insurance premium (plus legal insurance tax).
11. Payment has to be made within 14 days after the purchase, at latest before the transport. Until the seller received the full payment the lots selling are still owned by the seller!
12. The buyer is responsible for arranging the transport / export. Diamond Genetics can assist the buyer with the export / transport of the lots for a flat price.
13. The transport costs of embryos located in the United States are 150 EUR / embryo +1,16% insurance to every country inside Europe.
14. The transport costs of embryos located in the Netherlands are 75 EUR / embryo +1,16% insurance to every country inside Europe (besides Switzerland which costs 100 EUR / embryo +1,16% insurance).

Sale insurance:

1. Sale animals are not insured, a live insurance or other insurance for diseases like Johnes, Salmonella or Neospora can be done on costs of the buyer, the seller is willing to help to get the insurance organized.
2. Inc. ETN will be mentioned on the page of the lots which include a clone in the pedigree.

The complete terms & conditions can be found through www.diamondgenetics.nl

Clients experiences

Christoph Lüpschen (Germany): "Over the last two Years we sold more then 100 Cows to European Livestock Service / Nici Nosbisch, we are really pleased how everything worked, from the selection they did on the farm to the day when the cows left our farm everything was just perfectly organized, we are looking forwards for future buisness with European Livestock Service"

Roccafarm Livestock SA (Belgium): "Sourching quality cows and heifers had been easy, efficient and successfull for us trough European Livestock Service. Findind the right kind of animals makes customers happy."

The Livestock Exchange UK: "We at livestock exchange have nowworked with Nici over 1000 animals! Every part of the buisness is well organised, from finding quality we require, farm visits, relevant paper work trough haulage and delivery! We would not choose to work with anyone else!"

Roel Dekker (The Netherlands): "We are very satisfied with the cows we purchased last year through European Livestock Service. 70 of the 105 animals we purchased are now in 2nd lactation and developed well with great udders and feet & legs."
